FISCAL ANALYSIS

ASSUMPTION

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

According to officials from the **Joint Committee on Administrative Rules (JCAR)**, this proposal should not create any additional fiscal impact above current appropriations to JCAR.

Officials from the **Department of Elementary and Secondary Education** state this proposal will have no fiscal impact on their agency or on local school districts.

Officials from the **Parkway School District** anticipate no fiscal impact.
